U.S. DISTRICT COURT

Renewed Motion To Expedite And Grant Judgment On Pleadings

On April 22, 2005 petitioner had moved to expedite the disposition and grant judgment on pleading. As petitioner's disputed release date is due in less than two weeks, and factual basis of his claim is not disputed, the question of law is clear and unambiguous. Petitioner is therefore entitled for relief as a matter of law. As reasons therefore petitioner respectfully renews his Motion To Expedite and prays this Honorable Court grant him judgment on pleadings

Respectfully submitted,

Fazal Raheman
